

Board Candidates We Want You!

Are you committed to bettering your community? Why not put that passion to work and run for a spot on the Blue Mountain Lake Club's board?

The Blue Mountain Lake Club will soon be holding elections for board members, and we're looking for dedicated homeowners like you to help us shape and implement our governing rules, handle association finances, make important decisions that affect the entire community and much more.

Working on the board can be an enriching experience and can help you make lasting, positive changes to the community. If this sounds like something you are interested in, we ask that you take a few moments to ask yourself the following three questions:

Do I have the time?

As a board member, you will need to devote at least several hours of your time each month to Association business. In addition to regular monthly board meetings, you will need to be active in email discussions and occasional special meetings. During special projects, you may need to spend a little extra time on Association business. Some board members may also spend a little more time than others if they work with a committee.

Can I make tough decisions when it's required?

The primary role of the board is to conduct the business of the Association. This doesn't just mean approving the budget, but also developing and enforcing policies. Board members are required to step outside the immediate circle of family and neighbors and make decisions based on the greater good of the community.

Can I do all this and have fun too?

It isn't all about the policies and tough decisions. Our community is only as good as we make it, and establishing and maintaining a sense of community is part of a board member's responsibility. Planning and attending functions such as our festivals and being a presence in the community is as important as any policy decisions you make.

Candidate Resume and Fiduciary Acknowledgement Forms will be available on August 15, 2016 to members in good standing who wish to serve on the Club's Board of Directors.

Completed Candidate Resume forms must be returned to the Operations Office no later than the close of business on September 15, 2016
