Board of Directors – Special Meeting

Friday March 17, 2017 - 7 PM

1) Call to order by Steve Melnick, 7:10 PM

Attendance: Steve Melnick, Lynn Ball, Gary Smith, Rob Temple, Penny Welliver

Vince Ricci attended via Cell Phone

2) Purpose of the meeting: Periodically, throughout the Blizzard of 3/14/17 the majority of this board was in communication and decided that we should meet at the earliest time possible after the storm. We had a general discussion about this weather event.

Unanimously (6-0) it was decided we would meet with our contractor ASAP to review current procedures for major snow events as well as ways in which improvements could be made.

3) Adjournment: 8:10 PM
